Large Engraved Glass Cup - 18th Century

400 EUR

Period : 18th century
Condition : Très bon état
Material : Glass
Diameter : 9 cm
Height : 18,8 cm

Description

Large blown glass goblet with a wide conical bowl engraved with small flowers and foliate scrolls beneath a frieze of wavy lines. Silesian stem with eight fluted sides resting on a wide, rounded, rolled foot. Mid-18th century. Very good condition, minor imperfections and air bubbles, one of which has burst. Its large capacity and dimensions make it a rare example for the 18th century. Height: 18.8 cm - Bowl diameter: 8.3 cm - Foot diameter: 9 cm
