

Large Pair Of Vases From China

1 100 EUR

Period : 19th century

Condition : Parfait état

Material : Bronze

Diameter : au col 25 cm, à la base 18 cm

Height : 45 cm

Description

We present this spectacular pair of 19th-century Chinese bronze vases. The necks are very flared, and they are 45 cm tall. A distinctive feature of these vases is their niello work, meaning they are inlaid with silver decorations. The handles, likely depicting dragons, are in perfect condition.

Shipping is extra; delivery to China and the USA is only available via DHL (E26).
