

Restoration Style Divisional General's Belt/sash

950 EUR

Period : 19th century

Condition : Très bon état

Description

Lieutenant General's (Major General) sash/belt.
Made of white silk mesh, 2.25 meters long and 15 cm wide. Two trapezoidal tassels covered in silver bullion are sewn to the ends, each with three gold stars on either side. The tassels are finished with thick twists on the outside and thin twists on the inside. Total length: 2.54 meters.
Very good condition, just a few minor soilings; the silver thread is very lightly oxidized.
