## Description

A Napoleon III period walnut table from the late 19th century, restored in our workshop and in perfect condition. I am a cabinetmaker and furniture restorer, a graduate of the École Boulle for 43 years. The walnut top has a stain-resistant satin varnish that can be wiped clean. It opens easily with six extensions measuring 50 cm by 160 cm. With all six extensions, it seats 20, for a total length of 430 cm by 160 cm. It has a lovely carved base, and the casters have been replaced with walnut feet.
