Description

Elegant multicolored glass chandelier with a parallelepiped shape and a gilded brass frame. Its distinctive feature lies in the hammered treatment of the colored glass (yellow, blue, green), creating light effects and plays of light. The four lights are positioned at the top, providing perfect illumination. This chandelier is unique in its design, capable of furnishing any space with elegance and taste. Made in Florence by the Guido Polloni glassworks, it dates back to the 1960s and features a Brutalist style. Dimensions: H (with stand) x W 120 x 33cm
