### Description

Elegant and precious painted wood sculpture, with glass and stone details. The sculpture depicts a Tibetan monk kneeling with his hands clasped in prayer. His face has a serene expression, and his head is shaved. The robe enveloping his body is painted black, with precious gold details, glass, and gleaming stones. This is a sculpture of great taste and refinement, capable of adding a touch of class and oriental antiquity to any space. Oriental craftsmanship, likely Burma, late 19th century. Dimensions: H x W x D 64 x 30 x 58cm
