Description

Solid Oak Console Table - Renaissance Style, 19th Century
A 19th-century European console table in solid oak, in the Renaissance style, resting on two finely carved winged cherubs. The carving is of exceptional quality, with precise and deep chiseling, particularly on the faces, wings, and decorative elements. The apron is adorned with hand-carved motifs and incorporates a discreet drawer in the front, providing practical storage space. The apron is adorned with hand-carved motifs, and the entire piece rests on a central, equally crafted base, ensuring stability and balance. A decorative console table with character, ideal for an entryway, living room, or gallery. Solid oak - European craftsmanship - 19th century. The entire piece rests on a central, finely crafted base, ensuring stability and balance. A
