Depth : profondeur totale: 18 cm

Description

A beautiful Louis XIV style zinc fountain spout with a verdigris patina, featuring a stylized dolphin's head, mounted on an octagonal base with a molded rim and a breccia marble spout. A lovely element to complement an outdoor or indoor fountain, and also useful for any antique-style fountain project. The marble and metal have a very attractive overall patina. French work from the 19th century. Note: Shipping within France is possible via Colissimo with tracking and signature confirmation: 20 Euros. Other destinations upon request.
