Description

Articulated reading floor lamp, very functional, height-adjustable and with an adjustable reflector. Maison Delmas, reference label Mont 85. Beautiful French craftsmanship in solid brass from the 1970s. Its chic and timeless style, thanks to the materials used (brass), harmonizes perfectly with any 18th or 20th century decor. We can easily imagine it next to a Louis XV or Louis XVI style desk to refresh a decor or complete a Scandinavian design ensemble. Some signs of wear on the circular base (see photo).
