Pair Of White Painted Iron Magazine Racks, Italian Manufacture, 1970s

500 EUR

Period : 20th century

Condition : Bon état

Material : Wrought iron

Length : 43

Width : 28

Height : 61

Description

Pair of magazine racks of Italian manufacture, made of white-painted iron and dating to approximately the 1970s. The pieces feature a clean and functional metal structure, representative of Italian metalwork production of the period.

Each magazine rack is designed with an open container intended to hold magazines, newspapers, or books, and is completed by an integrated top handle that allows for easy handling. The base rests on four legs fitted with protective feet, ensuring stability and surface protection.
