

Mirror With A Carved Wooden Frame, Late 19th Century

160 EUR

Period : 19th century

Condition : Très bon état

Material : Oak

Width : 40 cm

Height : 57cm

Description

An elegant mirror dating from the late 19th century, presented in a richly carved solid wood frame. The decoration consists of finely crafted foliate motifs and scrolls, highlighted by an inner row of pearls. The mirror retains its original mercury glass, which shows slight pitting and clouding, normal wear for this type of object. The back is solid wood. Very good condition.
