

Antique Engraved Crystal Decanter - Victor Sanglier

350 EUR

Period : 20th century

Condition : Très bon état

Material : Crystal

Height : 23

Description

Elegant antique engraved crystal decanter. Each section is decorated with a different floral motif, worked in a frosted, acid-etched style, creating a rich interplay of textures and light throughout the piece. The silver-plated metal mount is finely chased in an elegant decorative style and bears the Victor Sanglier hallmark. Height: 23 cm
