Summer In The Medieval Style

245 EUR

Period : 19th century

Condition : Etat d'usage

Material : Parchment

Width : 21,9

Height : 26,4

Description

Medieval peasants stand before a castle, harvesting a wheat field while their wives shear sheep. A decorative border with a frieze of flowering scrolls inhabited by insects surrounds the scene. The parchment sheet is framed in an antique, molded, and stained fruitwood frame. The parchment itself measures 20.7 x 16 cm.
