

## Original Double-sided Door With Mercury Mirror, Napkin Folds, 19th Century Oak Woodwork, Decor

750 EUR

Period : 19th century

Condition : Etat d'usage

Material : Oak

Width : 65

Height : 239

### Description

This very rare and original double-sided door features small 18th-century-style panes adorned with mercury mirrors on one side, and three panels with "napkin fold" moldings on the other. Made of oak and dating from the 19th century, it will serve as a connecting door between rooms and, as decorative woodwork, will enhance your interior.
