Description

Louis XIV Coin Cabinet Germany, Augsburg  
Early 18th century Wood of Walnut, cherry, maple, rosewood Height x width x depth: 44 x 67 x 33 cm Excellent condition Magnificent Louis XIV coin cabinet with a drop-down front and a rich internal drawer unit arranged around a small central door. It is entirely inlaid with precious woods with exquisite geometric decorations in light and dark hues. The splendid golden patina of the exceptionally warm and luminous woods is remarkable. The coin cabinet has always been considered the rarest and most select piece of furniture in the history of antique furniture, an emblematic object that distinguished the richest and most powerful families, and was a must-have in grand state rooms. We emphasize its exceptional state of preservation and lack of
