### Description

An important and elegant Baccarat crystal service, "Sévigné" pattern, comprising a decanter and 11 matching stemmed glasses (two boxes of six glasses each, one of which is missing a glass). Created at the end of the 19th century, the Sévigné pattern is distinguished by its refined acid-etched decoration of scrolling foliage and floral motifs, emblematic of Baccarat's expertise. The glasses bear the circular "Baccarat France" mark, acid-etched under the base. The beautifully proportioned decanter has a faceted stopper, characteristic of Baccarat's creations.
