

Gold And Smoky Quartz Vinaigrette Scent Bottle

4 300 EUR

Period : 19th century

Condition : Réentoilé

Material : Gold

Description

A rare amber-colored smoky quartz vinaigrette bottle. It consists of two cut sections. It has a yellow gold mount chased with floral garlands. It opens on a hinge to reveal a finely pierced grid with foliate and floral motifs. The removable grid was designed to hold a scented sponge. It is a good size: 4.5 cm x 3.7 cm x 2 cm. Probably English work from the 19th century, verified by the owl.
