

19th Century Russian Travel Icon

280 EUR

Period : 19th century

Condition : Très bon état

Material : Solid wood

Description

19th-century Russian travel icon on a wooden core. It is covered with a sheet of embossed and meticulously chased silver, carefully cut to reveal the face of the infant Jesus and the face and hands of the Virgin Mary painted on the wooden panel. Hallmark and maker's mark on the edge. 4.5 x 4 cm. Good condition.
