

Italian Console Table From The 1960s In Brass/bronze And Marble

370 EUR

Period : 20th century

Condition : Bon état

Material : Brass

Length : 90

Height : 88

Depth : 25

Description

Elegant brass or bronze console table with two marble tops. Italian and dating from the 1960s, it fits perfectly into the "Hollywood Regency" style. It has four legs and therefore does not need to be screwed to the wall. Note a very small chip (3mm) in the marble on the edge of the top shelf, see photo. I also have a mirror with the same design which I will post soon.
