

18th Century Table Lectern

600 EUR

Period : 18th century

Condition : Très bon état

Material : Solid wood

Length : 38cm

Width : 38cm

Height : 40cm

Description

A walnut wood table lectern, resting on four cabriole legs. The apron is carved with acanthus leaves and is molded. It has a beautiful patina. The lectern is pegged together. The top of the back panel is 12 cm later. Ideal for displaying a book or painting. France, Louis XV period, 18th century.
