### Description

Godin (20th century) Still Life with Bouquet Oil on canvas, signed Godin lower right. A beautiful floral composition rendered with a generous and sensitive touch, where the paint creates a subtle interplay of light and depth. The soft, patinated tones lend the whole an atmosphere that is both intimate and decorative, typical of 20th-century French painting. This oil on canvas from the 1950s features flat areas of gray and pearly tones typical of the artist's palette from Maine-et-Loire.
