300 EUR

Period : 20th century

Condition : Bon état

Material : Ceramic

Length : 22 cm

Width : 12 cm

Height : 27 cm

Description

A ceramic sculpture depicting a seated cat, rendered in a stylized manner. The piece is covered with a deep brown glaze, enlivened with amber and ochre hues. The surface displays chromatic variations. The modeling is fluid, highlighting the full volumes of the body and the softness of the dorsal line. Origin: Normandy region, probably Barenton-le-Camp.
