Description

Antique carved solid wood bench with storage compartment, 20th century. Charming solid wood bench with storage compartment, beautifully crafted in its antique style, combining seating and storage. The back and front are richly decorated with carved motifs: scrolls, shaped designs, and central rosettes, highlighting a meticulous and balanced decorative work. The high, sculpted back, adorned with a stylized shell motif, gives the piece an elegant and decorative silhouette. The seat, consisting of a drop-front, opens to reveal an interior storage compartment, practical for linens or everyday items. The shaped side supports and the warm patina of the wood enhance the authentic and antique character of the piece. Period: 19th century. Material: Solid wood. Type: Bench with storage compartment / Seating
