Description

A beautiful lamp by Claude de Muzac, a designer renowned for her unique and original creations. The base is carved from wood in the shape of a bird, exuding a raw and authentic charm. The curved metal structure supports a light fabric shade, providing a soft and warm light. A true decorative work of art, this lamp combines vintage style with artistic design, making it ideal for enhancing your interior. In very good overall condition. Dimensions: Width: 46cm, Depth: 30cm, Height: 60cm, Weight: 2.704kg
