### Description

Sterling silver bracelet, wide links - 1970s. This hollow sterling silver bracelet, hallmarked 925, is composed of generously sized, wide links with a satin finish. Weight: 25 g. Length: 20 cm. Link dimensions: 2 cm wide x 2 cm high. Dating from the 1970s, this bracelet features a strong, structured design characteristic of creations from this period. Its aesthetic is timeless, with a distinctive presence that brings both elegance and character. It can be worn with both casual and dressier outfits, and fits perfectly into a very current rock-chic look. The clasp, integrated into the design, is functional but has a slightly weak spring. As a precaution, it is advisable to have it reinforced to ensure its longevity. Price: EUR620 firm. Free shipping and packaging in France and Europe by Galerie De Cicco.
