Description

This is a 1930s studio sculpture. This bust was made of plaster using a skillful hand-modeling technique. It is unsigned but beautifully rendered, particularly in the hair, eyebrows, and mustache. The overall style is typical of the 1930s. We note some signs of wear consistent with age, small areas where the plaster is missing, and a lack of patina. Our photos allow you to appreciate the quality of the piece. For condition details, please examine the photos carefully. Feel free to zoom in. The photos are an integral part of the description.
