Description

Antique Carved Wood Buffet - Late 18th/Early 19th Century - Renaissance Style. Important antique solid wood buffet, dating from the late 18th/early 19th century, in the Renaissance/Henri II style. Exquisite craftsmanship and carving, characterized by architectural panels in high relief and richly sculpted ornamentation. The front is punctuated by uprights adorned with mascarons and sculpted figures, emblematic elements of this style. The buffet opens with several doors offering ample storage space with interior shelves. Made of solid wood, it displays a beautiful, deep, and warm antique patina. A piece of character with a strong decorative presence, ideal for a period home, dining room, living room, or library. Dimensions: Height: 159 cm Width: 162 cm Depth: 69 cm Condition: Good
