Beveled Bronze Mirror, Decorated With A Musical Theme, Finely Crafted And Chiseled, 19th Century

350 EUR

Period : 19th century

Condition : Bon état

Material : Bronze

Width : 20 cm

Height : 38 cm

Description

38 cm high, 20 cm wide. A richly decorated mirror with a pediment featuring two centaur children playing a horn, and in the center, various musical instruments, as well as two turtledoves to embellish the whole. On each side, two columns support an ibex head. In good condition, it would benefit from a thorough cleaning.
