Description

Antique Carved Wood Buffet - Late 18th/Early 19th Century - Renaissance StyleImportant antique solid wood buffet, dating from the late 18th to early 19th century, in the Renaissance/Henri II style. A piece of high-quality craftsmanship, remarkable for the richness and finesse of its carving. The front is structured with molded panels in high relief, twisted columns, and numerous figurative carved elements, including cherubs and mascarons, typical of this style. The doors open onto ample storage space on two levels, with interior shelves. Made of solid wood, it displays a beautiful, deep, and warm antique patina. A characterful buffet with a strong decorative presence, ideal for a period home, a prestigious dining room, a living room, or a library. Dimensions: Height: 184 cm
