Set Of Decorative Wrought Iron Panels, 20th Century

350 EUR

Period : 20th century

Condition : Bon état

Material : Wrought iron

Description

Set of four wrought iron panels, featuring an elegant design of scrolls and arabesques, with a fluid and balanced design. Each panel is framed by a rectangular iron frame with visible fixing points, suggesting an original architectural use (railings, screens, window grilles, or gate elements). The ironwork, crafted in supple curves, testifies to decorative craftsmanship. The set displays an antique patina, with oxidation and signs of age, highly valued in projects with an industrial, bohemian, or revisited classic aesthetic. The panels are of slightly different sizes, offering varied possibilities for integration or wall composition. Period: 20th century. Material: wrought iron. Decoration: scrolls/arabesques. Composition: 4 panels. Condition: used, with oxidation and patina
