Elegant Planter From The Late 18th-century Directoire Period

990 EUR

Period : 19th century

Condition : Bon état

Material : Solid wood

Diameter : 42

Height : 76

Description

Charming and elegant jardinière in natural cherry wood, with a round base and top in the Athenian style, an openwork apron, and straight uprights resting on a molded stretcher, three casters. A Directoire period piece from the late 18th or early 19th century. A lovely model, with minor signs of wear.
