Description

A Louis XV style half-moon commode in marquetry and bronze mounts. This elegant half-moon commode, crafted from veneered wood, features rich floral and geometric marquetry, typical of the Louis XVI style. The gently curved front opens with a drawer in the frieze and a central door, revealing interior storage space. The panels are finely decorated with marquetry motifs centered on an antique vase, framed by garlands and ribbons, executed in light woods that contrast harmoniously with the darker frames. The ornamentation is completed by beautiful gilt bronze mounts: keyhole escutcheons, corner mounts, sabots, and decorative appliqués. The piece rests on four tapered, fluted legs shod in bronze, enhancing its elegance and visual lightness. Style: Louis XV;
