Description

Antique Solid Wood Chest of Drawers/Chest of Drawers, 19th Century. This elegant tall chest of drawers, also known as a chiffonier, is made of solid wood and is characteristic of 19th-century French furniture. The piece features a two-part design, offering ample storage while maintaining harmonious proportions. The upper section comprises four stacked drawers, while the lower section has two drawers. The design is punctuated by brass keyhole escutcheons and drop handles, either original or in keeping with the period. The wide drawer fronts, clean lines, and warm antique patina highlight the quality of the wood and attest to its careful use. The base rests on a slightly sculpted plinth, ensuring stability and elegance. Period: 19th century. Material: Solid wood. Type: Tall chest of drawers/chest of drawers.
