

Cane Sword, Toledo Blade And Zoomorphic Horn Pommel, 19th Century

350 EUR

Period : 19th century

Condition : Bon état

Material : Metal

Length : 88 cm

Description

19th-century sword cane with a hilt and a short Toledo blade. The beveled blade is etched with arabesque designs and inscribed "Toledo." The pommel is made of horn in the zoomorphic shape of a bird's head. There is a slight jam at the scabbard.
