Description

Early 20th-century painting depicting a portrait of a Siamese cat by Nicolas Safranoff. A painter of Russian origin, born in Moscow in 1898, he settled in Lyon in 1920 and died in 1978. A talented and renowned artist, he is featured in this beautiful work, a very lifelike and realistic profile of a Siamese cat, achieved through the combined use of watercolor and gouache. The artist's signature is in the lower left corner. This piece is rare due to its subject matter and the artist's uncommon presence on the market. Shipping is available within France and worldwide via secure, insured package with order tracking. An invoice and certificate of authenticity are provided. Collection is possible in person at Mas d'Avalrich or at the Montpellier Antiques Fair, held every two months at my stand. The painting
