

The Heroine Mu Guiying - Lapidary Sculpture In Malachite And Silver Thread

450 EUR

Period : 20th century

Condition : Bon état

Width : 10cm

Height : 16cm

Description

This masterful piece in genuine malachite depicts the legendary female general Mu Guiying. An iconic work from the mid-20th century, it captures the heroine in parade armor, ready to take command of the armies. The sculpture beautifully utilizes the stone's natural veining to emphasize the dynamism of the drapery. A rare detail: it rests on its original base of precious wood, finely inlaid with silver thread.
