

Pair Of Antique Saint-louis Crystal Ewers Pitchers

240 EUR

Period : 20th century

Condition : Très bon état

Material : Crystal

Height : 25

Description

Pair of cut-crystal ewers from the Saint-Louis manufacture, each bearing the engraved mark on the underside. The body is slightly flared with faceted panels; the handle is blown and then hot-shaped. This pair is in good condition, and it is possible that both ewers originally had stoppers. When compared side by side, one of the two ewers shows a slight haze, making it marginally less transparent than the other, although the difference is barely noticeable.
