

Small Table Screen, Embroidery On Silk, Bronze And Lead Mount, Early 19th Century.

480 EUR

Period : 19th century

Condition : Très bon état

Material : Other

Description

Rare small folding table or desk screen. Silk embroidery with a double-sided design of a vase and bouquet of flowers. High-quality gilt bronze mount and lead base. A beautiful decorative object to place on a small folding table in front of a hand-held candlestick, which can serve as a screen to illuminate the scene, or on a desk as a paperweight. The same design is repeated on both sides, protected by glass. Early 19th century.
Dimensions: - Total height: 19.5 cm. - Width: 10 cm. - Lead base: 5.5 cm x 6 cm. Free shipping within France and Europe.
