## Polychrome Wooden Tabernacle, Christ Salvador Mundi, 18th Century.

900 EUR

Period : 18th century

Condition : Bon état

Material : Solid wood

Width : 50 cms

Height : 42,5 cms

Depth : 30,5 cms.

Description
-------------

A very fine tabernacle in carved and polychrome wood, architecturally designed with columns and a semicircular arch. 18th century. The central niche is adorned with a figure of Christ the Savior of the World holding the globe, symbol of Christ's universal sovereignty. A provincial religious work, probably intended for a chapel or private oratory. Beautiful old polychromy with a patina of age. Dimensions: height: 42.5 cm; width: 50 cm; depth: 30.5 cm.
