Description

A ring by Dinh Van, featuring the iconic and instantly recognizable handcuff motif. Created in 1970, these handcuffs are timeless thanks to their clean, minimalist design, reflecting Dinh Van's signature style. The handcuffs powerfully symbolize a strong and sincere bond of love and friendship. Crafted in 18K yellow gold (750/°°, owl hallmark), this flat ring hugs the finger for comfortable wear in any situation. The intertwined handcuffs add a pleasing dimension. The notches form the opening of the handcuffs, which, while permanently joined here, serve as clasps on the other variations of the line (necklace, bracelets). This is the largest model of this ring. It is duly signed and numbered. A sought-after, iconic piece of jewelry with strong symbolism. Gross weight: 10.27 g. Ring size: 55 -
