

Monumental Stone Statue Of Christ The Good Shepherd, 16th Century

5 800 EUR

Period : 16th century

Condition : Bon état

Material : Stone

Height : 180

Description

Monumental stone statue of Christ the Good Shepherd, a classic representation of Christ blessing, carrying the lamb on his shoulder. A high-quality work with ample and expressive drapery, offering a strong and solemn presence. The antique patina, marked by time, shows wear and natural alterations consistent with outdoor exposure or use in a place of worship. These traces reinforce the authentic and historical character of the piece. Ideal for: o church, chapel, cloister o character garden or park o heritage or architectural project o monumental indoor/sheltered outdoor decoration. Dimensions (approx.): o Height: approx. 180 cm o Weight: approx. 650 kg. Due to its weight and size, specialized handling and transport are essential.
