### Description

An impressive set of three earthenware vases, created by the Eichwald factory under the direction of Bernhard Bloch. This polychrome and gilt set comprises three vases: two side vases with three tubes and a central vase with five tubes. Each vase is decorated with children holding fruit, harmoniously integrated into the rich floral motif typical of Art Nouveau. Marked on their bases with the mark BB (Bernhard Bloch, Eichwald) and bearing the model numbers 4813, 4814, and 4815, these vases attest to their authenticity and provenance. An exceptional decorative art set, a true collector's item, which perfectly reflects the craftsmanship of the Eichwald factory and the spirit of Art Nouveau.
