380 EUR

Period : 18th century

Condition : Très bon état

Material : Paper

Width : 38 cm (cadre compris)

Height : 46 cm (cadre compris)

Description

Academic nudes, created in the studio from a live model, are one of the most challenging exercises for young artists. This one beautifully captures the twist of the body, seated in a complex position, with the head resting on the palm of the hand. The sanguine chalk allows for a delicate rendering of the flesh tones. It has been framed in a discreet late 19th-century molding.
