Description

Exceptional Louis XVI-style gilt-bronze mantel set - Clock and pair of candelabra, France, 19th centuryRef. No.: 1691A magnificent mantel set comprising a clock and a pair of candelabra crafted from finely chased and richly gilded bronze; made in France during the 19th century in the prestigious Louis XVI style.The clock features an elegant architectural design adorned with scrolls, garlands, foliage, and classical motifs, topped by a sumptuous decorative lid flanked by two swans. Its enamel dial, featuring Roman numerals, adds a touch of timeless refinement and highlights the quality of the entire ensemble.The two matching five-light candelabra echo the same decorative vocabulary with remarkable richness of ornamentation. Their majestic silhouettes and brilliant gilding bear
