Description

This sublime Omega Seamaster Cosmic, dating from 1965 to 1970, embodies the Swiss watchmaking art of the era. Its robust and elegant stainless steel case features the clean, timeless lines for which the brand is renowned. The silver dial, subtly patinated by time, offers perfect legibility thanks to its contrasting black hands and hour markers. It bears the iconic "Omega Automatic" signature as well as the inscription "Seamaster Cosmic," a reminder of its heritage linked to exploration and adventure. The steel bracelet, with its solid links and "Waterproof" folding clasp, harmoniously completes the ensemble and testifies to Omega's exceptional craftsmanship. This watch comes in its original presentation box, a rare detail that adds a touch of authenticity and prestige to this collector's item.

The red box, with its velvet interior, protects the watch while emphasizing its status as a precious object. Condition and Functionality: This Seamaster Cosmic is in good overall condition for its age, with normal signs of wear that tell its story. It is functional, but a minor service would be recommended to ensure optimal performance, as it can occasionally stop after a while. This is an ideal opportunity for a collector or watch enthusiast to own a legendary timepiece while giving it a new lease on life. A Piece of History to Wear on Your Wrist: The Seamaster Cosmic is much more than a watch: it is a symbol of Omega's innovation and its connection to the maritime and space worlds. Whether you are passionate about vintage watches, looking for a unique piece, or simply captivated by the charm of objects that have stood the test of time, this Omega will enthrall you. Don't miss the opportunity to add this exceptional timepiece to your collection or to give it as a gift to a loved one.
