### Description

Floor lamp with mythological figures in gilt and patinated bronze. Mythological tritons, often depicted as creatures with a human torso and a fish tail, are a popular motif in sculpture and decorative arts, particularly in bronze. Their figures often adorn fountains, interiors, and decorative elements, symbolizing the connection with the sea and aquatic elements. We guarantee a 100% refund (excluding shipping costs) if you are not satisfied with your purchase. We entrust the transport of items to leading logistics companies such as TNT, DHL, FedEx, Schenker, or, depending on the buyer's preference, another option. Protective packaging is tailored to each item in wooden crates.
