### Description

A pair of exceptionally beautiful and rare candle-bearing angels. The polychrome lacquer and gold leaf decoration are still very present. Despite their age, these objects have never been tampered with and are completely original. Indeed, they have never been restored and may require conservation work. The artistic context of these two angels is typically Umbrian, dating from the late 15th century to the early 16th century in the Spoleto area. The sculptures are 63 cm tall. The sale will be accompanied by a historical certificate of guarantee. The pair of rare candle-bearing sculptures can be viewed at our antiques gallery located in Foligno, Piazza Giacomini, 42.
