Description

Bronze Sculpture - Child with a Little Girl and a Dog Period: 20th century Height: 52 cm Material: Patinated bronze Base: Marble Signature: J. Barbedienne (visible on the base) Charming bronze sculpture depicting a young girl holding a puppy in her arms, accompanied by a second dog at her feet. The scene, imbued with tenderness and naturalism, is distinguished by its exquisite modeling: delicate facial expression, meticulous treatment of the drapery, and precise details of the animals. The bronze has a beautiful, even dark patina and rests on an elegant molded marble base. A high-quality decorative work, typical of animal and genre sculpture from the first half of the 20th century, in the style of French productions disseminated by major art foundries. Very good overall condition, with minor wear
