Description

Paris Porcelain Figurine - Renaissance Figure with Dog. Manufacturer: Vieux Paris. Period: 19th century. Height: 28 cm. Material: Polychrome and gilt porcelain. An elegant Paris porcelain figurine depicting a young gentleman dressed in Renaissance style, richly attired in a blue doublet trimmed with gold, finely decorated purple hose, and blue boots. The figure is accompanied by a dog, a symbol of fidelity, adding charm and liveliness to the scene. The figure sits on a rocky mound resting on a substantial, openwork, scalloped base, lavishly decorated with gilt scrolls. The polychromy is particularly vibrant and refined, with a beautiful quality of glaze and gilding that is still very present, characteristic of Vieux Paris productions in the 19th century. Very good overall condition
