Description

An elegant 1950s jewelry ring, emblematic of retro style. Crafted in two-tone 18k gold, it features a generous pavé setting of rubies and diamonds arranged in floral and geometric patterns typical of the era. The interplay of volumes and the contrast between the brilliance of the diamonds and the intense red of the rubies give this ring a striking presence and a distinctly vintage character. It weighs 10.4 grams. Size 53, resizing is free of charge.
